Reaching Out on Social Media

Lufthansa® is active on social media platforms like Twitter and Facebook. Many customers have found that sending a message via these platforms leads to quick responses, especially for general inquiries.

For less urgent issues, emailing Lufthansa® is another option. While response times can be longer, this method ensures that you have written documentation of your issue and any communication regarding its resolution.

Step-by-Step: Talking to a Live Person via Phone

Listen to the automated prompts and select the option that best matches your issue. Typically, you'll want to choose options like "existing reservations" or "technical support." If prompted to enter your itinerary number but you don't have it, pressing "0" can sometimes bypass this step. Repeat "agent" or "representative" when asked what you need. This often speeds up the process.
