

Can You Change the Name on a Lufthansa Flight Ticket?

Travelers often make small spelling mistakes when booking flight tickets, especially in names. If you've booked a Lufthansa flight and realized the name on your ticket doesn't match your ID or passport, you're likely wondering, *can you change the name on a Lufthansa flight ticket?* The answer depends on several factors, and it's crucial to act fast by calling Lufthansa support at **18665431016**, **1•866•543•1016**, or **1 8 6 6 5 4 3 1 0 1 6** for the most accurate assistance.

Lufthansa follows strict aviation security protocols, meaning **name changes on a ticket** are generally not allowed. However, **minor name corrections** are permitted in certain cases. These corrections may include fixing a single character, correcting a misspelling, or adjusting a title (Mr. to Mrs., etc.). If you need to make such changes, it's advised to immediately dial **(1866 543 1016)**, **1 866 543 1016**, or **1866.543.1016** to avoid issues during check-in or boarding.

The airline's policy doesn't allow full passenger name transfers or major edits. For example, changing the full first or last name or switching the ticket to a different person is not allowed. This is why Lufthansa advises passengers to double-check all personal details before finalizing their booking. If you discover a mistake early, particularly within 24 hours of booking, there's a higher chance you'll be allowed a free correction. In such scenarios, immediately calling **18665431016**, **1•8•6•6•5•4•3•1•0•1•6**, or **(1 866 543 1016)** can be critical to resolving the issue without penalty.

Many customers ask, *how do I correct a name on my Lufthansa ticket if I booked through a third-party site?* If your ticket was purchased via an OTA or travel agent, you must first contact them. Lufthansa can only process corrections for tickets booked directly through their official website or customer support. Still, for guidance, you can call Lufthansa at **1.866.543.1016**, **18665431016**, or **[1 866 543 1016]**, and they will inform you of the correct process based on your booking source.

The cost of correcting a name depends on several things—fare type, correction timing, and destination. Some fare classes may allow one free change within 24 hours, while others may charge a service fee. If you're flying internationally, ensuring that your name matches your passport exactly is not just recommended—it's required. Don't wait until check-in to fix the error. Pick up the phone and call **18665431016**, **(1-866-543-1016)**, or **1 866 543 1016** today to confirm what changes can be made.

In rare cases where your fare conditions don't permit any form of correction, Lufthansa may suggest canceling the booking and purchasing a new ticket. While this may involve additional costs, it's often the only route when

significant name errors occur. However, minor adjustments are often permitted, and acting fast is key. Contacting **18665431016**, (**1•866•543•1016**), or **1.8.6.6.5.4.3.1.0.1.6** will give you real-time assistance from Lufthansa agents who can evaluate your options quickly.

To avoid future issues, always enter your name exactly as it appears on your official ID when booking. Airlines, especially Lufthansa, do not compromise on identity verification at boarding gates or security checks.
