Travel plans can change, and sometimes even a small typo in your name can cause unexpected stress at the airport. If you've booked a flight with Delta Airlines and realized your name is incorrect or needs to be updated, don't worry—Delta does offer solutions. Here's a complete guide to understanding **Delta Airlines' name change policy**, including what's allowed, how to request changes, and what to expect during the process.

Why Accurate Names Matter on Delta Tickets

Airline security is strict, and names on your ticket must match your government-issued ID **exactly**. Even small errors like a missing middle name or a misspelled surname could lead to check-in issues, TSA delays, or even denied boarding.

Delta Airlines Name Change Policy

Delta does **allow name corrections** and, in certain cases, name changes—though the rules vary depending on the type of change and ticket.

✅ Permitted Name Corrections:

Delta Airlines allows minor corrections such as:

- Spelling errors (e.g., "Jonh" corrected to "John")
- Legal name changes (due to marriage, divorce, etc.)
- Adding or removing a middle name
- Switching first and last names (if accidentally reversed)

❌ Not Permitted:

Delta does **not allow full name changes** that imply a new passenger is flying. If you want to transfer your ticket to someone else, you'll need to cancel and rebook under their name (subject to fare rules).

How to Request a Name Change with Delta Airlines

You can request a name change in one of the following ways:

1. Call Delta Airlines Directly

This is often the fastest method. Reach out to Delta's customer support at:

📞 +1↘ [888]↔ [693]↘ [8772]

Agents are available 24/7 and can walk you through your specific situation, check eligibility, and apply the correction if applicable.

2. Via Delta's Official Website

You can try to correct minor spelling mistakes via the "My Trips" section on Delta.com. Login with your confirmation number and last name, then:

- Click on your itinerary
- Check if the "Edit" option is available for passenger info
- Follow the prompts if allowed

3. Visit the Nearest Delta Ticket Office

If you're near an airport, a Delta counter or authorized ticketing office can also process name corrections in person. Bring ID and any legal documents (marriage certificate, court order, etc.) if the change is legal in nature.

Fees for Delta Name Changes

Fees vary depending on:

- Type of correction
- Fare class
- Whether you booked directly with Delta or through a third party

Typical Name Correction Fees:

- **Domestic Flights:** ~\$75 – \$150
 - **International Flights:** ~\$200 and up
Note: Some SkyMiles or elite status members may be eligible for reduced fees.
-

Important Notes Before You Call

Have the following ready when you contact Delta at +1 [888] [693] [8772]:

- Your 6-digit confirmation number (PNR)
 - Correct spelling of your full legal name
 - Any supporting legal documents, if applicable
 - The exact nature of the correction (typo, marriage, etc.)
-

Delta SkyMiles Members

If you're a SkyMiles member, ensure your frequent flyer account also reflects your updated name. This helps prevent mismatches when booking future travel and redeeming miles.

What If You Booked Through a Third-Party?

If you didn't book directly with Delta (e.g., used Expedia, Priceline, or a travel agent), you'll likely need to:

- Contact the third-party first for changes
- They may reach out to Delta on your behalf

Delta may not authorize changes directly unless the ticket was booked through them.

Final Thoughts

Mistakes happen—but when it comes to your airline ticket, acting quickly can save time, stress, and money. Delta Airlines provides options for correcting passenger names, and their customer service team is available at

 **+1 [888] [693] [8772]**
to assist with your specific needs.

Whether you're fixing a typo or updating your name after a legal change, following the right steps ensures a smoother journey with Delta.

Need Help Right Now?

Don't wait—call Delta's Name Change Desk:

 **+1 [888] [693] [8772]**

Available 24/7 to help with flight issues and updates.
