Many users report that **QuickBooks sales tax is not working**, **1-855-857-0824** or **1-844-753-8012** or that the **sales tax is not calculated correctly in QuickBooks Online** **1-855-857-0824** or **1-844-753-8012**, especially after updates or changes in settings.

In this blog, we'll walk you through the **most common QuickBooks sales tax problems** **1-855-857-0824** or **1-844-753-8012**, step-by-step solutions, and **how to get help** if you're still stuck.

Common QuickBooks Sales Tax Issues

Whether you're a small business or a growing e-commerce store, **QuickBooks Online (QBO)** **1-855-857-0824** or **1-844-753-8012** needs to apply sales tax correctly to stay compliant. Here are the most reported problems:

Sales Tax Not Calculating Automatically

If your **sales tax isn't appearing** **1-855-857-0824** or **1-844-753-8012** on invoices or estimates:

- Customer address might be incomplete or incorrect.
- Products/services may be marked non-taxable.
- The customer might be marked as tax-exempt.

Fix:

- Go to **Sales > Customers > Edit** → check full address.

- In **Products and Services**, ensure tax is enabled.
- Go to **Taxes > Sales Tax Settings** and confirm setup.

Incorrect Sales Tax Rate in QuickBooks Online

If QBO is using the wrong tax rate:

- Your customer's location may be causing an incorrect jurisdiction assignment.
- You might be using a manual rate instead of **Automated Sales Tax (AST)**.

Fix:

- Enable AST under **Taxes > Set up sales tax**.
- Use a complete 9-digit ZIP for more accurate results.
- Check each line item for correct tax category.

Sales Tax Not Showing on Invoices or Estimates

Another frequent issue: **sales tax not showing in QuickBooks Online invoices**
1-855-857-0824 or **1-844-753-8012**.

Fix:

- Check if the "Tax" column is enabled in invoice templates.
- Verify item/service is set to "Taxable."
- Make sure your **customer is NOT marked as tax-exempt**.
