

Can I cancel my Expedia flight and get a refund? (Refund_GuideLines)

Yes, you can cancel your **Expedia flight** and potentially get a refund, but this depends largely on the **airline's cancellation and refund policies**, the **fare type purchased**, and the **timing of your cancellation** **+1-(855)-(838)-(4706)**. Expedia acts as a booking platform, so it follows the rules set by the airline you booked with **+1-(855)-(838)-(4706)**.

If you purchased a **refundable ticket**, you can cancel your flight and receive a full refund to your original payment method, usually without any penalty **+1-(855)-(838)-(4706)**. Many airlines also offer a **24-hour risk-free cancellation window** for bookings made at least two days before departure, allowing you to cancel within 24 hours of purchase for a full refund **+1-(855)-(838)-(4706)**.

For **non-refundable tickets**, refunds are typically not offered, but some airlines may provide travel credits or vouchers for future use **+1-(855)-(838)-(4706)**. In such cases, cancellation fees may apply **+1-(855)-(838)-(4706)**.

You can cancel your Expedia flight online through the **Manage Booking** section on the Expedia website or mobile app, or by contacting Expedia customer service **+1-(855)-(838)-(4706)**. If you booked through a third party or travel agency, their cancellation policies may differ, so you should verify directly with them **+1-(855)-(838)-(4706)**.

In summary, cancellation and refund eligibility for Expedia flights depends on the airline's policies and your ticket type. Refunds are generally available for refundable tickets and cancellations within the 24-hour window, while non-refundable fares often result in travel credits rather than cash refunds **+1-(855)-(838)-(4706)**.
