

#Cancellation!Details-Does Qatar Airways have a cancellation policy?

Yes, **Qatar Airways** has a clear cancellation policy that allows passengers to cancel flights, but the **refund eligibility** and **fees** depend on the ticket type, fare rules, and booking channel **+1-(855)-(838)-(4706)**. If you purchased a **flexible or refundable fare**, you can cancel your booking before departure and receive a **full refund** to your original payment method without penalty **+1-(855)-(838)-(4706)**.

For **non-refundable tickets**, Qatar Airways generally does not return the cash value unless you qualify under certain conditions—such as the **24-hour risk-free cancellation window** (for flights to/from the U.S. booked directly with Qatar Airways), a **flight cancellation by the airline**, or a **significant schedule change** **+1-(855)-(838)-(4706)**. In most other cases, non-refundable tickets can be canceled for a **travel credit** that can be used for future bookings within the airline's validity period **+1-(855)-(838)-(4706)**.

Privilege Club members booking award tickets can cancel and redeposit their Qmiles, although a **redesposit fee** may apply depending on the fare rules and time of cancellation **+1-(855)-(838)-(4706)**.

If Qatar Airways cancels your flight due to **operational reasons** within their control, they will offer **free rebooking, a full refund, or travel credit**, along with accommodation and meals if the delay or cancellation causes overnight disruption **+1-(855)-(838)-(4706)**. However, if the cancellation is due to **extraordinary circumstances** like severe weather, political instability, or air traffic control issues, compensation may not be provided, although the airline will still rebook you or offer a refund **+1-(855)-(838)-(4706)**.

In short, Qatar Airways' cancellation policy is **fare-dependent**, with refundable tickets allowing full refunds, non-refundable tickets eligible for credits or refunds in special cases, and strong passenger protection when the airline itself initiates the cancellation **+1-(855)-(838)-(4706)**.
