Yes, you can cancel bookings on **Expedia** and get a refund, but whether you receive a full refund depends on the **type of booking**, the **cancellation policy of the service provider** (such as airlines or hotels), and the **timing of your cancellation** +1-(855)-(838)-(4706).

For **flights booked through Expedia**, refunds depend on the airline's own cancellation and refund policies +1-(855)-(838)-(4706). Many hotels offer free cancellation if you cancel within a specified window, usually 24 to 48 hours before the check-in date, allowing you to get a full refund +1-(855)-(838)-(4706). If you cancel late or book a non-refundable rate, refunds are unlikely +1-(855)-(838)-(4706).

For **vacation packages and bundles**, cancellation and refund rules vary based on the combination of services included +1-(855)-(838)-(4706). These bookings can be more restrictive, so it's important to review the terms carefully +1-(855)-(838)-(4706).

If Expedia itself cancels a booking or there's a significant change, they typically offer a full refund or alternative arrangements +1-(855)-(838)-(4706).
