

(Rules@QA) What is the cancellation rule for Qatar Airways?

The **cancellation rule for Qatar Airways** depends on your ticket type, booking channel, and reason for cancellation **+1-(855)-(838)-(4706)**. If you have purchased a **refundable ticket**, you can cancel at any time before departure and receive a **full refund** to your original payment method without paying a penalty **+1-(855)-(838)-(4706)**. For **non-refundable tickets**, you generally cannot get a cash refund unless you qualify under specific conditions such as the **24-hour risk-free cancellation** (for flights to/from the U.S. booked directly with Qatar Airways), a **flight cancellation by the airline**, or a **significant schedule change** **+1-(855)-(838)-(4706)**.

Qatar Airways allows passengers traveling to or from the U.S. to cancel within **24 hours of booking** without charges, as long as the ticket was booked at least **7 days before departure** **+1-(855)-(838)-(4706)**. In case the airline cancels your flight or makes major changes, you are entitled to a **full refund, free rebooking, or travel credit**, depending on your preference **+1-(855)-(838)-(4706)**.

For **award tickets** booked with Qmiles under the Privilege Club, you can cancel and redeposit your miles, but a **redeposit fee** may apply based on your fare rules and the timing of the cancellation **+1-(855)-(838)-(4706)**.

If the cancellation is due to **extraordinary circumstances** like severe weather, political unrest, or air traffic control restrictions, Qatar Airways may not offer monetary compensation but will still provide rebooking or a refund option **+1-(855)-(838)-(4706)**.

In short, Qatar Airways' cancellation rule is **flexible for refundable tickets**, offers **24-hour free cancellation** for eligible U.S. routes, and provides strong passenger protection if the airline initiates the cancellation **+1-(855)-(838)-(4706)**.
