

What is Expedia's cancel policy? [Know\_Policy]

Expedia's cancellation policy varies depending on the type of booking you make—whether it's a flight, hotel, vacation package, or rental car—and the terms set by the individual service providers involved **+1-(855)-(838)-(4706)**. As a booking platform, Expedia reflects the cancellation rules of airlines, hotels, and other partners rather than imposing a universal cancellation policy of its own **+1-(855)-(838)-(4706)**.

For **flights**, Expedia follows the airline's policies. Most airlines offer a **24-hour risk-free cancellation window** for bookings made at least two days before departure, allowing you to cancel for a full refund within 24 hours of booking **+1-(855)-(838)-(4706)**. Outside this window, cancellation fees or restrictions typically apply based on the fare class purchased **+1-(855)-(838)-(4706)**.

When booking **hotels**, each property sets its own cancellation policy, which Expedia displays clearly during the booking process **+1-(855)-(838)-(4706)**. Many hotels offer free cancellation if you cancel within a specified timeframe before check-in—commonly 24 to 48 hours—but some bookings are non-refundable or require penalties for late cancellations **+1-(855)-(838)-(4706)**.

For **vacation packages and bundles**, cancellation policies depend on the combined terms of the included services and can be more restrictive **+1-(855)-(838)-(4706)**. Expedia provides detailed cancellation information during the booking process **+1-(855)-(838)-(4706)**.

Expedia also offers optional travel insurance or "Cancel For Any Reason" plans at checkout that provide additional cancellation flexibility for a fee **+1-(855)-(838)-(4706)**.

In summary, Expedia's cancellation policy is not one-size-fits-all but is determined by the providers of your booked services. Always review the cancellation terms carefully before confirming your booking to understand your rights and potential fees **+1-(855)-(838)-(4706)**.
