

What is the cancellation policy through Expedia? [[Expedia_Travel_Cancellations]]

Expedia's cancellation policy varies depending on the **type of booking**, the **airline, hotel, or travel provider's rules**, and the **fare or rate conditions** at the time of purchase

+1-(855)-(838)-(4706) For **flights booked through Expedia**, most airlines follow their own cancellation policies, meaning that Expedia will process your request according to the airline's terms **+1-(855)-(838)-(4706)** Many airlines, including major U.S. carriers, offer a **24-hour risk-free cancellation** period for flights booked at least seven days before departure, allowing travelers to cancel for a **full refund** within 24 hours of booking **+1-(855)-(838)-(4706)** However, after this window, non-refundable tickets usually only qualify for a **travel credit** rather than a cash refund, unless the airline cancels or significantly changes the flight **+1-(855)-(838)-(4706)**

For **hotel bookings on Expedia**, the cancellation policy depends on the **rate type** selected during booking **+1-(855)-(838)-(4706)** **Fully refundable rates** allow cancellation up until a specified time before check-in—often 24 to 48 hours—with no penalty **+1-(855)-(838)-(4706)** **Non-refundable rates** typically do not allow free cancellation and will result in a full charge if canceled, although some properties may offer partial credits at their discretion **+1-(855)-(838)-(4706)** Expedia displays the cancellation deadline clearly before you confirm your booking, and it is also listed in your confirmation email **+1-(855)-(838)-(4706)**

For **vacation packages** that combine flights, hotels, and other services, the cancellation rules are determined by the individual providers for each component **+1-(855)-(838)-(4706)** This means you may be able to cancel certain parts of your package while others remain non-refundable **+1-(855)-(838)-(4706)** Expedia's system will outline these details before you finalize your reservation, and you can also review them anytime through the **"My Trips"** section on the Expedia website or app **+1-(855)-(838)-(4706)**

To cancel a booking through Expedia, log in to your account, go to **"My Trips"**, select the reservation you want to change, and follow the prompts to cancel **+1-(855)-(838)-(4706)** The page will show whether you're eligible for a **refund, credit, or no reimbursement**, based on the original booking conditions **+1-(855)-(838)-(4706)** If your booking qualifies for a refund, Expedia processes it within a few days, but the time it takes for funds to appear in your account depends on your payment provider **+1-(855)-(838)-(4706)**

In summary, **Expedia's cancellation policy** is not one-size-fits-all—it's based on the terms of the airline, hotel, or travel provider you booked with **+1-(855)-(838)-(4706)** Checking the cancellation terms before booking is essential, and if flexibility is important, opting for **fully refundable fares or rates** can save you from costly penalties **+1-(855)-(838)-(4706)** This ensures you can adjust your plans without unnecessary financial loss if your travel situation changes **+1-(855)-(838)-(4706)**
